

**Sunoco Field**  
3501 Moore Street  
Philadelphia, PA 19145

**From North & Central New Jersey**

New Jersey Turnpike to Exit 3-which is Route 168

Go right on Route 168 toward Philadelphia approximately 3 miles

Watch for signs reading Walt Whitman Bridge into Philadelphia

Walt Whitman Bridge to 76 (Schuylkill Expressway) Simply stay straight off Bridge and that's 76.

Go approximately 3 miles to exit 346B (University Ave/Civic Center)

Exit 346B and, at end of exit, is stop light (Wharton Street)

Make left on Wharton and go approximately 75 feet to Warfield Street (LaRosa Cafe at Corner)

Make left onto Warfield Street and go approximately 3/10 mile to stop sign which is Moore Street

Make right onto Moore Street to deadend which is Sunoco Field.

Don't think your lost because this is an industrial area and might not look like a place where a field is located but the field actually is on Sunoco Refinery grounds.

**From South Jersey**

Walt Whitman Bridge to 76 (Schuylkill Expressway) Simply stay straight off Bridge and that's 76.

Go approximately 3 miles to exit 346B (University Ave/Civic Center)

Exit 346B and at end of exit is stop light (Wharton Street)

Make left on Wharton and go approximately 75 feet to Warfield Street (LaRosa Cafe at Corner)

Make left onto Warfield Street and go approximately 3/10 mile to stop sign which is Moore Street

Make right onto Moore Street to deadend which is Sunoco Field.

Don't think your lost because this is an industrial area and might not look like a place where a field is located but the field actually is on Sunoco Refinery grounds.

**From Delaware County/Chester County/Delaware & Maryland**

Take I 95 North toward Philadelphia

Take 291 Exit (Exit #13) across Platt Bridge to 1st light

Make left at light onto Schuylkill Expressway (I 76)

Exit Expressway at University Ave. (Exit 346B)

First light off exit is Wharton Street-make left

Go approximately 75 feet to Warfield Street (there is old pizza shop there LaRosa Cafe) and make left

Go approximately 3/10 mile to stop sign which is Moore Street

Make right onto Moore Street to deadend which is Sunoco Field.

Don't think your lost because this is an industrial area and might not look like a place where a field is located but the field actually is on Sunoco Refinery grounds.

**From North of Philadelphia via I95**

I95 South to I 676 (will be 676 East- its the only way you can go) this is also the Center City Philadelphia Exit off I95 South  
Bear left after exiting I95 (the ramp splits, so follow left handle side road)

Travel approximately 2 miles on 676 to I76 East (you will see signs I76 is also known as Schuylkill Expressway)

Exit onto I76 East and travel about 1 1/2 miles to exit 346B (its a right lane exit-exit will say University Ave, Greys Ferry Ave)

Exit off 346B and stay to your left. The exit winds around to a traffic light. At the light make a left onto 34th Street.

On 34th Street cross over very small bridge and go to 2nd traffic light. (The first light is Greys Ferry Ave., the second light is Wharton Street)

At Wharton Street make a right turn and go approximately only 75 feet to Warfield Street.

At Warfield Street (there's an old pizza place at the corner called LaRosa Cafe). Make a left and follow Warfield about 1/4 mile to Moore Street.

At Moore Street make a right turn to dead-end which is Sunoco Field.

The field is on the Sunoco Oil refinery grounds. You may think you are lost because the area is industrial, don't worry about that just keep following directions.

**76 (Schuylkill Expressway)**

Go approximately 3 miles to exit 346B (University Ave/Civic Center)

Exit 346B and at end of exit is stop light (Wharton Street)

Make left on Wharton and go approximately 75 feet to Warfield Street (LaRosa Cafe at Corner)

Make left onto Warfield Street and go approximately 3/10 mile to stop sign which is Moore Street

Make right onto Moore Street to deadend which is Sunoco Field.

Don't think your lost because this is an industrial area and might not look like a place where a field is located but the field actually is on Sunoco Refinery grounds.
