

15u WWBA National Championship
Playoff and Consolation Information

Each team plays 3 pool games on Tuesday-Thursday.

64 teams will make the playoffs. The 28 pool winners will be seeded #1-28. The 28 2nd place teams will be seeded #29-56. We will take 8 3rd place teams seeded #57-64. So, 64 out of 112 teams will advance to the playoffs. Teams that lose first-round of the playoffs will have the option of playing a consolation game on Saturday vs. another first-round defeated team. If you lose your 2nd round game, you will have your guaranteed 5 games and will be done with the tournament. There may be an option for another game on Saturday if we have open slots available.

The 48 teams that do not make the playoffs will be scheduled for a consolation game on Friday and a game on Saturday. **All teams will be required to let PG know if they want a game on Saturday.** There will be information in the coach's packet on the consolation games.

All teams that are scheduled for a consolation game are REQUIRED to attend this consolation game. Not showing up will result in exclusion from any future PG tournaments.
