

Format for Playoffs & Consolation Games

If the pool play goes as scheduled and all pool games are played, we will be taking the 31 pool winners + 1 at-large team to a 32-team single-elimination playoff bracket starting on Sunday morning.

All teams that don't make the playoffs will receive a consolation game, as their 6th guaranteed game of the tournament.

If two teams tie in record during pool play, the team that won head-to-head will advance into the playoffs. A glitch on our website will not acknowledge this and will not necessarily have the pool winner on top.

Important Notes

- There will not always be water in the dugouts at all fields. Teams should plan on bringing their own water for the players.
- There will be tournament passes and daily tickets for sale at every gate. The prices will be \$40-tournament pass and \$10-daily ticket.
- Please allow for traffic when traveling to games. Depending on what field and what time during the day you are traveling.
