

Coach,

Please note the following:

- Due to some last minute drop-outs, we have had to adjust the schedule for some teams. You should have received a phone call on this as well. Please check the schedule to make sure you know when and where your games are.
<http://www.perfectgame.org/events/TournamentSchedule.aspx?event=1070>
- The playoffs will consist of 32 teams. The 32 pool winners, the 2nd place team in pool of 6, and one wildcard. The playoffs will be predetermined and is updated on the schedule. The only change would be if two teams in the same pool (wildcard team) or two teams in the same organization match up against each other in the first round.
- **Port Charlotte Parking:** Do not park in the main parking lot as they will charge you due to the craft show going on. Use the complex overflow lot which is located off of Ester Ave. From EL Jobean take a left on Torrence Street and then a right on Ester Ave.
- **Cape Coral Complex Parking:** We apologize but Saturday is the opening day for the area soccer league and parking around the complex will be less than ideal.
- **Gate Prices:** \$30 tournament pass (good for all games all weekend) \$10 daily ticket (good for all games on one day)
- **Coach's Packet:** You will receive your coach's packet from the scout at your first game on Friday.
- **Survey:** There is a survey in your coach's packet. Lee County has an intern doing a research project on this tournament and would appreciate your assistance. Please turn this survey into the scout at your field during one of your last games.
